

Philippians 2:9-11 NLT 9 *Therefore, God elevated him to the place of highest honour and gave him the name above all other names, 10 that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, 11 and every tongue declare that Jesus Christ is Lord, to the glory of God the father.*

The official battle cry and motivational chant of the United States Marine Corps is a loud "Oorah". It originally developed from mimicking the klaxon horn sound that announced a submarine about to dive. For sure, it sounds quite powerful and even intimidating to hear hundreds of strong military men making such a chant. But for followers of Christ, we have an even more powerful battle cry in the name of Jesus. He is the all powerful, almighty one at whose name every knee will bow and the demons tremble and submit, the only name by which we can be saved. He is the way, the truth, and the life, no one comes to the Father except through Him.

As we continue to take the Gospel message across the nations through Heaven's Gates & Hell's Flames, our sole purpose is to lift up the name of Jesus and seek to bring precious souls into reconciliation and relationship with Him. We thank you, from the bottom of our hearts, for standing with us, through your prayers and support. May God bless you richly.

UK MISSIONS

We have had some wonderful missions this year with The Ark Church in Belfast, Eternity Church in Croydon and Potters House Church in Sutton. We thank God for every precious soul that has made a commitment to Christ at these missions and pray that the message will continue to have impact and bear lasting fruit.

Please get in touch if you would like to have the experience of hosting this ministry in your own church.

MONGOLIA UPDATE

During May, Carl and I revisited Mongolia to support and give some more training to our Mongolian team during a live mission in an area outside of the capital, Ulaanbaatar. Many people prayed to receive Jesus Christ as Lord and saviour...praise God!!!

Our team have been very busy this year and have been able to take the Gospel message, not just through the live drama presentations but also through the video of the production. Using the video means that they can minister the same powerful message in prisons, herder communities and among nomads. Please pray for them as they continue to minister the Gospel in places that have very little or no church presence and seek to introduce their people to the joy of knowing Christ.

MISSION TO HUNGARY

During the month of November, Debs and I plan to take Heaven's Gates & Hell's Flames to Hungary. This will be a four week mission, ministering in a different church and city each week.

We have always seen a good response as we have ministered there on several previous occasions and are very excited to have this opportunity once again.

With the long drive down, picking up some equipment in Germany on the way, we would value your prayers for strength and safety throughout. Would you pray for the cast members that take part and above all that many precious souls will come to Christ across this nation.

We plan to leave UK on 31st October and return on 5th December with the following dates for each mission:

- 4th to 10th November - Debrecen (in the east near Romania).
- 11th to 17th November - Szeged (South of Budapest near the Serbian border).
- 18th to 24th November - Gödöllő (just outside of Budapest to the east).
- 25th November to 1st December - Budapest.

Our performances will be Sunday, Monday and Tuesday in each place with preparation during the days before.
