HEAVEN'S GATES
&
HELL'S FLAMES

REALITY OUTREACH
MINISTRIES

John 4:35 NIV *"Don't you have a saying, 'It's still four months until the harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest".*

Do you pick up the sense of urgency in these words of Jesus to his disciples? They had been encouraging Him to stop and eat some food when He responded by saying, "My food is to do the will of Him who sent me and to finish His work".

We so easily fall into the trap of believing that we have plenty of time to reach the lost, but Jesus is saying, "open your eyes, look at what's happening around you".

None of us can give a guarantee of how much time we have left to share the Gospel. Looking at the state of our world and the desperation that exists in the heart of mankind, it is undeniable that the world needs Jesus and needs Him now.

Would you join hands with us to take the powerful, life saving message of the Gospel to our lost and broken world?

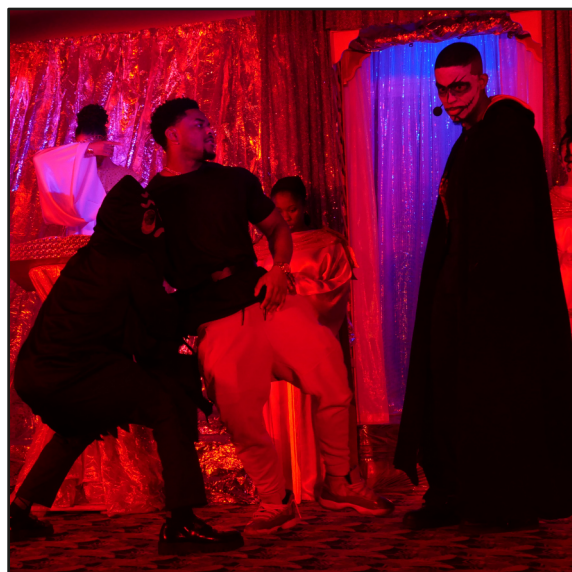

We give glory to God for the many souls that have come to faith in Christ through Heaven's Gates & Hell's Flames at these and other missions with our teams across the world.

Please get in touch if you would like to have the experience of hosting this in your own church.

Your people as the performers, reaching your community with the Gospel. A powerful combination for the Kingdom of God!

MONGOLIAN TEAM

After the wonderful mission we had in Ulaanbaatar last November, where more than 4,700 people made a commitment to Christ over the two nights, we felt the need to pursue the possibility of establishing a permanent team in Mongolia. This would put the powerful tool of Heaven's Gates & Hell's Flames into the hands of local people enabling them to take it across their nation to every province.

In June, I had the privilege of visiting Mongolia again with our Head of Missions, Carl Bath from USA, along with his son Andrew. We had a series of meetings and discussions with some of our key brothers and sisters in Christ and came to an agreement that

Pst. TSOGOO & HOIGA

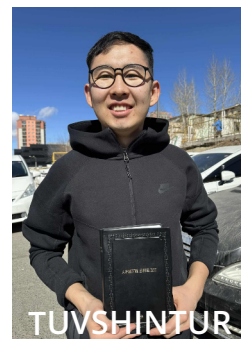

Pastor Tsogoo and his good friend Hoiga would head up our team, along with a small team of helpers from the local church.

Pastor Tsogoo works with the Evangelical Alliance Mongolia as an evangelist and is already conducting very powerful missions taking the Gospel to provinces all over Mongolia. Hoiga is also very active in sharing the Gospel alongside charitable agricultural support. We are thankful that these two men of God feel His call to take HGHF to all 21 provinces across the country.

The fields are certainly ripe for harvest in Mongolia and we see a great openness to the Gospel there. After the fall of communism some 30 years ago, the Christian church has grown but Christians still account for less than 2% of the population.

Sharing the Gospel through drama is a new experience for the Mongolian people and we see a refreshing openness and hunger for the truth. They see an opportunity to take this presentation into prisons where Pastor Tsogoo has a strong connection and empathy due to his time in prison as a young man. There are 170 villages that have no church, and our team has a vision to change that. Pastor Tsogoo already has a system in place to bring 20 to 30 people from a province to the capitol, Ulaanbaatar, to give them several weeks of training in evangelism and discipleship, they then take that experience back to their province. When the HGHF team go to that province they know there will be people ready to take part and follow up with the new believers.

Tuvshintur attended HGHF with his parents where they all gave their lives to Christ and then joined a Church in Ulaanbaatar. In April Tuvshintur said, "I have been praying for a bible and today I received one. Thank You! I eagerly anticipate my church bible study. I have many questions and wish to learn the most important things. I have emerged from the kingdom of darkness, and now I am a citizen of the kingdom of Heaven. I desire to be a person of faith".

TUVSHINTUR

We are very excited about this project as we believe that there are many more precious souls just like Tuvshintur who are ready to hear the good news of the Gospel. We don't see this kind of openness and opportunity in every country. We also believe the location of Mongolia is very significant with Russia and China as it's neighbours and the Mongolian people able to travel freely to those countries.

We are now in the process of raising funds and purchasing equipment with a plan to launch our new team during two church missions in November 2025. God has blessed us with a large equipment supplier in Ulaanbaatar where the CEO and sales person are both Christians and are helping us by giving some discount on our purchases. Some items will be shipped in from Europe or UK.

Would you please pray with us, in faith, for the success of this project, for all the people involved and for the logistical challenges of putting it all together.

Could you support this project financially? Your gift has the potential to make a difference to countless numbers of souls across that region. We don't often make big appeals for donations in our newsletters but we believe this is such a significant opportunity that we must not let it pass.

Our target for this project is \$55,000 USD, approx. £41,000 GBP can you help?
